

OUR COMMITMENT TO THE ASSOCIATION PETITS PRINCES

For 30 years, the Association Petits Princes has been making the dreams of seriously ill children and adolescents come true.

Because each support is important, you too can become an actor in this solidarity partnership. During your check-out, you are offered the possibility of making a 1 Euro donation.

In addition to the donations collected, the Grand Powers is also welcoming sick children and their families to our most beautiful suites for a dream break during the illness.

LETTRE DU CONCIERGE

July 2019

Did you know?

Every summer, an unmissable event takes place in Paris: the «Dîner en Blanc».

The Dîner en Blanc is an annual gathering of friends who get together for an evening for a dinner in an exceptional place unveiled at the last minute. All dressed in white, the guests gather in a public place for a «chic picnic».

Launched by François Pasquier in 1988, the Dîner en Blanc de Paris now brings together more than 10,000 people each year.

The event was held in the most prestigious places of the French capital: the Pont des arts, the Eiffel Tower, the Louvre pyramid, the Trocadero esplanade, the Place Vendôme, the Château de Versailles...

«The human being at the heart of excellence» is the expression that defines our employee of the month. You will probably have the opportunity to meet Marthe, our room clerk when your order our food in room service or at lunch time. You won't be insensitive to her smile!
